Value proposition

Professional video game testing with trained testers and rigorous quality control processes. We guarantee transparency at every stage, clear and useful reports tailored to development, and the expertise needed to detect critical bugs, graphical issues, and improve the player experience.

Color palette

HEX #0C152A

HEX #516CB3

HEX #56BDDA

HEX #67C18C

The blue and green color palette conveys confidence, technical expertise, and freshness. The contrasts between deep blues and bright accents reinforce the duality between analytical thinking and creativity that characterizes the Playrun team.

Icon

Abstraction of the letters “P” and “R,” fused into an icon that suggests a spaceship or a robot, metaphors for progress, technology, and exploration. This figure represents the essence of Playrun: a brand that drives progress, analyzes with precision, and accompanies each game in its evolutionary process.
